Subject: 404(g) rule workgroup call-in and DC room

Hi everyone,

For tomorrow's call the agenda will be:

- 1) Role call
- 2) Report out on prebrief with Dave Ross for Options Selection 1 meeting (assuming it is not bumped from tomorrow am)
- 3) Discussion of updates to tribal issues papers – see links below to sharepoint documents. Ruth will walk through these revisions – she and the workgroup recognize there are a few outstanding issues, but since there is so much to try to cover, we will discuss what is here tomorrow that was not already discussed.

a.

Ex. 6 Personal Privacy (PP)

b.

Ex. 6 Personal Privacy (PP)

- 4) Mitigation – we will discuss the 8 identified areas of in the option selection paper for mitigation – you have seen and discussed the considerations paper before; this is the revised version and the considerations table is in the format for the options selection meeting. Links as attachments.

Thanks,

Kathy Hurld
